duPont Manual High School **Louisville, KY**
High School Diploma, Math Science & Technology Program *June 2023*
- ACT: 35/36; Valedictorian; Class President; No. 47 nationally among public high schools

PROFESSIONAL EXPERIENCE

AQR Capital Management **Greenwich, CT**
Research Product Specialist Intern, Specialized Investments Group *June 2026 – Aug 2026*
- Analyzed tax-aware long/short portfolios for high-net-worth and family office clients, evaluating portfolio construction, market exposure, leverage, and client constraints to understand investment and tax tradeoffs; received full-time offer
- Improved a portfolio deleveraging methodology by comparing projected timelines with backtests and isolating the underlying drivers of discrepancies, including tax-lot composition, modeling assumptions, and deleveraging pace

Point72 Asset Management **New York, NY**
Market Intelligence Intern, Data Research Group *June 2025 – Aug 2025*
- Supported long/short TMT and Industrials investment teams through fundamental equity research and alternative-data analysis, forecasting key operating and earnings drivers to inform investment decisions; verbally offered full-time return path
- Analyzed a freight company during Liberation Day tariff volatility; stress-tested datasets and built a margin forecast model
- Initiated coverage on a new TMT company; sourced, cleaned, and validated alternative datasets to forecast key earnings drivers and built a fundamental model adopted by the research team for earnings prep; recognized as a top intern deliverable

Churchill Downs Incorporated (NASDAQ: CHDN) **Louisville, KY**
Corporate Financial Planning and Analysis Intern *May 2024 – Aug 2024*
- Analyzed EBITDA performance across Churchill Downs gaming properties, building monthly reporting packages and supporting earnings preparation through proprietary operating data and advanced Excel models; received return offer

EXTRACURRICULAR EXPERIENCE

Sagehen Capital Management **Claremont, CA**
Chief Executive Officer, Portfolio Manager – Healthcare *Oct 2023 – Present*
- Unanimously elected CEO of 65-member, $1.4M AUM long-only student investment fund; lead Investment Committee and broader fund operations in ~20-hour/week role spanning recruiting, alumni engagement, fundraising, and employer outreach
- Lead Healthcare sector as Portfolio Manager, overseeing all research and two pitches per semester; review analyst ideas, research process, modeling, and thesis development, and monitor portfolio positioning, holdings, and performance
- Built agentic-AI workflows to accelerate research and track thesis signposts; led diligence for BROS and FROG pitches through customer surveys, alternative-data analysis, current and former employee interviews, and site visits

Claremont Bitcoin Club **Claremont, CA**
Founder, President *Nov 2024 – Present*
- Founded educational organization focused on digital assets, tokenization, and crypto-related equities; grew to 100+ members, built career pipelines, and connected students with publicly traded companies including MARA, MSTR, and COIN
- Incorporated under CMC's Financial Economics Institute, named BSN Student Group of the Year, and moderated an international career panel; secured Gemini (NASDAQ: GEMI) sponsorship for Winter 2026 programming
